### WE'RE NOT WAITING UNTIL SEPTEMBER TO HELP!

- People across Minneapolis want to see all our young people graduate.
- We'll be working together all summer to invite them to re-enroll NOW.
- We'll help find the right "fit" of school and services to help students get back on a path to graduation.

### HOW YOU CAN HELP

- If you know a young person who did not attend school this year, contact us and we will offer to set up a home visit with information about schools, programs and services.
- Do you speak a language other than English? We are looking for bilingual volunteers who can speak Spanish, Hmong or Somali.
- MPS employees will re-enroll students on the spot!

### VOLUNTEER

- 2 - 4 hours at a summer outreach event
- Help connect students with services and support and choose a path to graduation that's right for them.
