

WE WANT YOU BACK

Inviting un-enrolled young people to “Come Home to Minneapolis” and choose a path to graduation

If you left school without graduating...

If you know someone who has had difficulty finishing high school...

- There are new choices to help you finish high school.
- New paths to graduation that fit your needs and schedule.

We can help you get your diploma!

Re-enrolling is simple! Please contact Diane Elkerton with Minneapolis Public Schools at 612-668-4136 or diane.elkerton@mpls.k12.mn.us
