Teams of community and school district volunteers will fan out across the city to connect young people with resources, support and information.

Minneapolis Public Schools staff will re-enroll students on the spot!

You might know a young person who did not attend school last year – a neighbor, friend or relative. Many young people in Minneapolis middle and high schools had difficulty finishing the school year.

- Let’s work together to invite young people to re-enroll NOW!
- We’ll help find the right “fit” of schools, programs and services to help them graduate.
